

Case Study: Leeds Powerchair Football

One of the benefits of the Hey Neighbour funding is to really get into the heart of communities, and it is here that one often finds the biggest hearts.

The families and volunteers of Leeds Powerchair Football Club have a lot on their plate as they support the players before, during and after sessions, to take part in a sport in which LPFC compete at the highest national level.

Hey Neighbour funded enabled a Christmas celebration event at which all players, volunteers and families were invited. The volunteers were thanked and acknowledged for the support they give all the year round, and all got a chance to take part in fun games, such as the Players versus Non-Disabled match (the players won by a country mile), and free food.

Over 50 people attended.

Quotes included:

“This could be work but it’s a relief” (Volunteer)

“This is great fun. I love playing because I am really good at it.” (Player)
